

IRAN, you are added to the list from Wikipedia of countries that lies to their own people for filthy lucre. By sleeping with the snake in space, you want to fool with (#nasa and the global empire). Did we tell you in KNOW-TIME, ALL lies are

paid for in REAL-TIME?
IRAN will not move
forward in KNOW-TIME
like all the countries that
lead their people to believe
lies for wants and needs or
just for filthy lucre, they
will not move forward in
KNOW-TIME. Will you
repent and JUDGE RIGHT?
Mr. PAYBACK is coming; we
call HIM The DOCTRINE-

KILLER, The FIRST and
The LAST, ABEL-IS-
JESUS,

HE will obliterate all
bullshit doctrine against
PMG, The TRUTH-IN-ALL-
THINGS, GREAT-I-AM.

There will be an ass kicking
and some shit will be
burning. Stop believing
bullshit against your senses
IRAN for sex and for what
to eat, or you will be totally
consumed.
